9. Correspondence Received/Sent
 - a. Stephen Moran, Transportation Maintenance Director, CTDOT (via email, July 8, 2022) – the CTDOT's Traffic Engineering Unit will evaluate the request to have Center Line Rumble Strips (CLRS) installed on Route 100 upon receipt of a formal request from the Town of East Haven Local Traffic Authority.

Pavement quality, roadway width, ADT, speed limit and residential density are some of the considerations when determining feasibility.

Vice Chairman DiSilvestro made a motion to add this item for discussion and approval under New Business; seconded by Commissioner Romans. No one opposed or abstained. Motion carried unanimously.

b. Frank Apuzzo (768 Laurel Street), dated August 22, 2022

- i. Expressed thanks for the installation of stop signs/stop bars, and painting traffic lines (incomplete) on that end of Laurel Street.
- ii. Request for the installation of a stop sign at Laurel Street and Venice Place to slow speeding traffic turning from Venice place onto Laurel Street caused by more residents and the Hurling Club.

Vice Chairman DiSilvestro noted that the Traffic & Public Safety Committee has discussed traffic speed on Laurel Street at length and did subsequently approve the installation of a stop sign approximately a block [north] away; to install another stop sign would not give trucks enough roadway to get back up to speed coming up the hill before having to stop again [at the previously approved/installed stop sign]. As for the line painting, that is a Public Works project, and we will follow-up as to when they expect to have it completed.

c. Annual Closer to Free Bicycling Fundraiser – Saturday, September 10, 2022

Formal acknowledgement and endorsement of the Annual Closer to Free Bicycling Fundraiser to benefit Smilow Cancer Hospital and Yale Cancer Center.

a. Personnel Matters/Injured Employees

- i. Depending on the outcome of promotions/hiring this evening, there will be at least one (1) police officer vacancy.
- ii. A rolling [recruit] testing process has been implemented; to date, we have eliminated every candidate (except for the one coming before the Board tonight); currently, there are approximately twenty (20) applicants pending full backgrounds and we expect to have them completed by the November or December monthly Commissioner meeting. We have not yet requested seats for the next Police Academy which is expected to start around the beginning of 2023.
